

# Installation Guide of Mails Software EDB to PST Converter Software

## How to Install the Software?

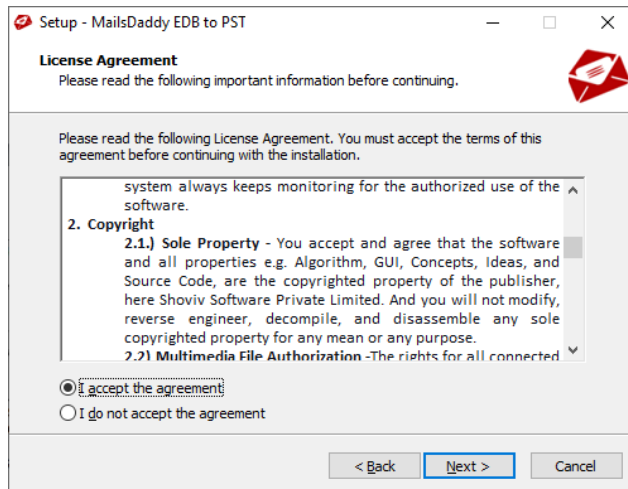

**Here we will let you know how to install the MailsDaddy EDB to PST Converter. However, make sure that the software installer file (.exe) is available on your computer before you install the software. If the software executable is not available on your computer, then download the file from: <http://www.mailsdaddy.com/dl/edb-to-pst-converter.exe>**

**After you have downloaded the software installer file, perform the following steps:**

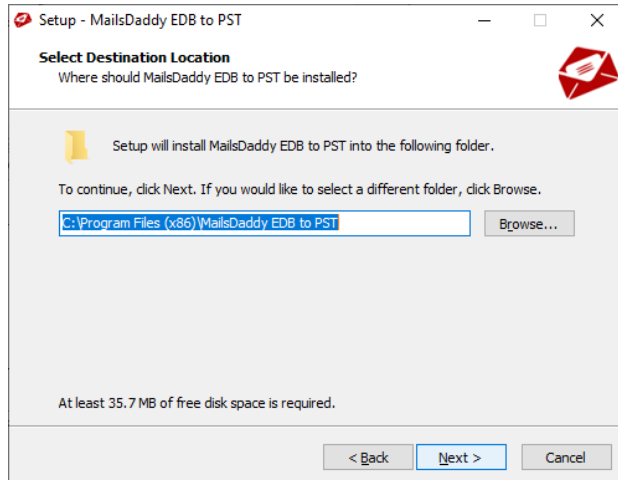

- **Double-click the MailsDaddy EDB to PST Converter installer file. A confirmation message will appear on the screen. Click on the Yes button.**
- **Now a Welcome Window will appear on the screen. Click on the Next button.**

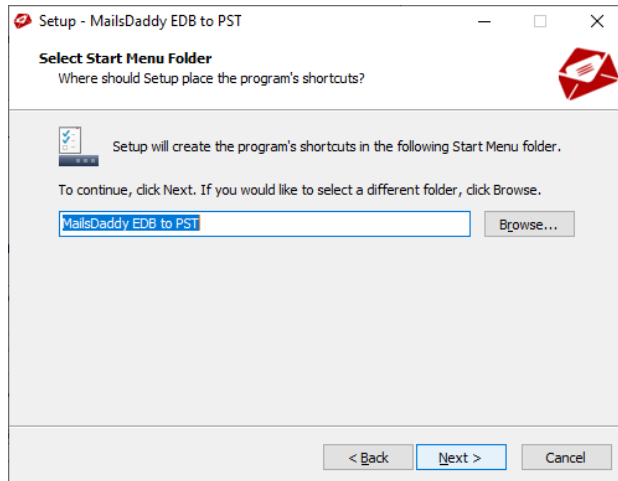

- **Now you will see another window. Select Agree and click on the Next button.**

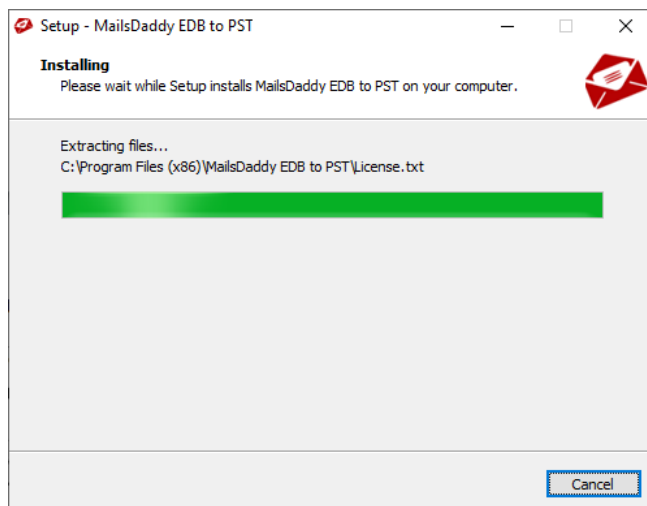

- **Browse Installation folder and click on the Next button.**

- **Confirm Installation by Clicking on the Next button.**

- **Installing MailsDaddy EDB to PST Converter. Please wait...**

- **Installation complete. Now click on the Close button to exit.**
